Dangerous Condition: Recent Case Law - A Burke Public Law Litigation On Demand Webinar

'[Dangerous Condition: Recent Case Law](#)' is a Burke Public Law Litigation on demand webinar that focuses on recent cases and holdings in 'dangerous condition' cases involving municipalities in California. Burke [Litigation Practice Group](#) partners and trial lawyers [Charles H. Abbott](#) and [Michael R. Nebenzahl](#) present insights and recommendations for city and county officials, as well as in-house counsel, to consider in organizing defenses to dangerous condition lawsuits. Preventative litigation suggestions for interacting with public project officials are also introduced. Attorney viewers can earn 1.0 hour of State Bar of California self-study CLE credit.
